

Information About
Spiritual Care Partners

UMC Spiritual Care Partners is a community clergy association developed by UMC Pastoral Care. This association will offer clergy “Grand Rounds” education, designed to equip the local minister for more effective ministry to parishioners at UMC. Each “Grand Round” will highlight a different aspect of routine/crisis care and the minister’s role. In addition, an annual symposium will provide further training on core treatment topics.

UMC Spiritual Care Partners are professionally trained to facilitate spiritual care that respects each person’s core values and beliefs.

We are here to provide a caring presence, listening and counsel with the purpose of nurturing one’s hope.

We seek to provide pastors, deacons or ministers additional opportunities to care for and support their members at UMC. Such care provides guidance during patient/family crisis events pertaining to their physical, spiritual, emotional and relational well-being.
